

NORTH CAROLINA CRIME STOPPERS ASSOCIATION

Welcome

On behalf of the NCCSA board, we would like to welcome everyone to the 2022 NCCSA Conference at Atlantic Beach, NC. This conference will be very beneficial for every Crime Stoppers board. Get ready for some fun, training, networking, food, and enjoy a little beach time too.

Purpose

Our purpose is to support existing Crime Stoppers programs as well as the cultivation of new programs. We hold annual conferences to help strengthen programs and to learn from each other. Some of our recent topics included board development, tip management systems, fund raising, marketing and more.
