HOW WOULD YOU LIKE YOUR TAX RECEIPT(S)?

By completing this form now we can save time during registration at the event!

This helps us determine how to split up the tax receipts if necessary. For example, if you paid the full \$400 and did not split the costs with your teammates then you would only put your name down. If you split it evenly with your teammates you would write all 4 names. If split between couples you write 2 names down.

PLEASE COMPLETE & PRINT CLEARLY
