To Whom it May Concern :

These past months have proven quite challenging for everyone and in that time we have seen organizations and local programs adapt and continue to provide support, awareness, and education to the public. Crime Stoppers has been one of those programs.

Since January is Crime Stoppers month, I would like to thank the Crime Stoppers Association on behalf of the Sault Ste. Marie & Algoma District Ontario Provincial Police for their continued success in helping keep the community safe and bring awareness to illegal activities. They have continued to promote the Canadian values of safety, empowerment, and inclusion. Crime Stoppers consistently gathers critical pieces of criminal intelligence that has proven extremely helpful for law enforcement saving them time and money. Their assistance in mobilizing Canadians to anonymously report suspicious and criminal activity has played an essential role in protecting our communities and solving crime. Through the teamwork and collaboration with all our partners, Crime Stoppers has proven its success.

The Ontario Provincial Police is a proud partner of the Crime Stoppers Program and I wish the program continued success as we work together with the goal of helping all communities stay safe for the year 2021.

Respectfully,
