About Crime Stoppers

Johnson County Crime Stoppers, Inc. which began in 1983 is a program that involves local law enforcement and the community working together in the fight against crime. It offers anonymity and cash rewards to persons who furnish information leading to the arrest and/or conviction of criminal offenders.

We offer 24 hour service through the use of an answering service, text tips, web tips, smart phone Tip Submit applications and a dedicated toll-free hotline number. We keep our tipster anonymity a high priority so the tipsters will not have to live in fear of retaliation or risk of personal safety.

Through our Safe School Program, rewards are also paid to students who report the possession of weapons, vandalism, possession of drugs, bomb threats, gang or other criminal activity on their campus, buses and at school events. Tips keep our communities and schools a safer place to live, work and learn.

Why join Johnson County Crime Stoppers in this cause? Your support provides for anonymous tip taking expenses and reward payments. Johnson County Crime Stoppers, Inc. is a 501(c)(3) non-profit volunteer organization.

Our efforts never stop because crime never takes a break.
