Name and logo change announcement

TOPEKA - Kan. Effective January 3, 2019, Capital Area Crime Stoppers has officially changed its name to Shawnee County Crime Stoppers.

Media outlets are advised to correct all existing references to Capital Area Crime Stoppers to reflect this name change.

In addition, Shawnee County Crime Stoppers is unveiling a new logo to accompany the name change. You will find the logo attached to this announcement.

The name change allows the organization to better reflect the community it serves and reduce any confusion amongst the public. There has been no change to the mission of Shawnee County Crime Stoppers. The organization's mission remains to provide a method for local law enforcement to receive information on crimes safely and anonymously from the general public. These efforts increase tips, which in turn increase arrests in our community.
