Crimestoppers "Safe Schools" program has worked with the St. Charles Parish Schools for many years and most recently, in March of 2020, their Safe Schools LA Anonymous reporting app went statewide through a cooperative endeavor with the Louisiana State Police. Both before the statewide launch and currently, Crimestoppers has provided at no cost to the parish schools both as an anonymous reporting resource and educational programs to assist with the prevention of crime and self-harm by students.

Crimestoppers has a multi-disciplinary approach by working with law enforcement to bring all stakeholders to the table for the safety and well-being of our students. As Sheriff of St. Charles Parish and the 1<sup>st</sup> Vice President of the National Sheriff's Association, I greatly value the role Crimestoppers continues to play in public safety and the benefit of having a local partner who is both familiar and a part of our great State of Louisiana. Our relationship and respect with Crimestoppers provides a true partnership in our community for our students and their families.

I recommend the Crimestoppers "Safe Schools" program for your community.

Sincerely,
