## WHAT HAPPENS WHEN A TIP IS SUBMITTED?

1. We're notified & look for anything identifying that could tell us who the perpetrator might be.
2. We identify which law enforcement organization should receive the tip based on location and type.
3. We send tips via a secure online platform to ensure anonymity, including a warning in the tip itself that Crime Stoppers does not know who submitted it.
4. Law enforcement reports back if the tip led to an arrest, investigation, or inviable.
5. We update the tip's status & inform the tipster if their information led to an arrest.
6. If eligible, the tipster receives cash reward money up to \$1,000.

# Relationships MATTER

We could not help central Indiana communities without the help of our community partners in **LAW enforcement**, the **MEDIA**, at local **COMPANIES AND CORPORATIONS**, and with **BUSINESS PROFESSIONALS** and **CITIZENS**.
